Impact of Jan-Dhan Yojana

On 29th January 2015, Economics department organized a guest lecture for the students of I BBM in the conference hall at 10:00 a.m. Mr. Santhosh Peter, Advocate, Mangalore was the honourable Resource Person. The main objective of this lecture was to enlighten the students to know about Pradhan Mantri Jan-Dhan Yojana and to make the students aware about the importance of financial literacy in our country and the relevance of converting India in to digital India.

He Pointed out that Prime Minister launched the largest and government of India's most ambitious financial inclusion scheme "Pradhan Mantri Jan-Dhan Yojana " on 28th Aug. 2014. This financial inclusion scheme is a national initiative to provide all households in the country with banking services, with particular focus to empower the weaker sections of society, including women, small and marginal farmers and labourers, both urban and rural. The scheme is targeted to cover as many as 7.5 crore households under the comprehensive financial inclusion program, with at least one bank account for each by Republic day 2015.

He highlighted the requirements under the scheme which includes providing the account holders with zero-balance bank account with RuPay debit card. After six months of opening of the bank account, holders can avail 5,000 overdrafts from the bank. A person can transfer funds, check balance through a normal phone which was earlier limited only to smart phones. Mobile banking for the poor would be available through National Unified USSD facilities.

He also mentioned some of the problems in banking business. Like multiple accounts, money laundering, unavailability of ATM facility wherever there is less infrastructure, lack of financial literacy.

He also said that if 'Jan Dhan Yojana' becomes successful in upcoming years, the banking

services will expand. The lecture turned out to be very informative and interactive. It helped the students to get clear idea about 'Pradhan Mantri Jan-Dhan Yojana. Mrs. Shashikala K.G and Mr. Prasanna Kumar T. coordinated the programme.

Different Generations of Networking, their Features and Drawbacks

On 3rd February 2015 there was guest lecture on 'different generations of networking, their features and drawbacks' arranged by lecturer Mrs. Shashikala Shetty to BCA students of 1st year. The speaker was Mrs. Vanaja, faculty, St. Aloysius College. She explained about the generations of networking. There are 5 generations of networking they are 1G Technology, 2G Technology, 3G Technology, 4G Technology and 5G Technology. She gave a clear description of each of these technologies, their features, advantages and also the drawbacks.

She then concluded by saying that the best way to help all the users of network is the usage of 3G Technology. 5G Technology is going to give a tough competition to all the previous technology. On the whole networking concept is growing rapidly to make all the devices wireless.

The guest lecture by Mrs. Vanaja was very informative to all the students and was made very interesting by showing the videos related to wireless networking. All the students gained knowledge about the generations of networking.

Mr. Thrishanrth Kumar coordinated the programme.

Panel discussion on union budget- 2015

On 9th March 2015, the Economics Department organised a panel discussion on Indian Union Budget 2015. Prof. Jayawanth Nayak, Associate Professor from University College, Mangalore, was the moderator. The prime objective of the discussion was to make the students aware of the contemporary issues in India especially in the direction of enhancing their knowledge about various budgets such as Railways, Finance etc

In his talk, Prof. Nayak briefed the purpose behind making a budget. He also explained about the various schemes implemented by the Central Government that would ensure the minimum welfare of the citizens through various stages of their lives. He drew a line between a budget as either a populist or a growth oriented budget - the former which seeks to bring out new schemes to please people and the latter and the more important one which seeks to maintain the existing schemes and bring about a more confident environment. This created the momentum for the 3 teams who came forward to share their opinion of the announced Union Budget along with a PowerPoint presentation. They later drew their individual conclusions on the budget affirming that the budget was no doubt a growth driven one and which ensured an additional safety net on the society.

Principal, Mrs. Aruna P.Kamath delivered the presidential address. Being an economics professor at the college for the last 20 years she expressed her special affection towards the event and gave the panel a few 'food for thought'. The session was compeered by Mr. Saajan. Ms.Rasmiya Sheikh proposed the vote of thanks. The co-ordinators were Mr. Pasanna Kumar T. and Mrs.Shashikala K.G.

Student Faculty Programmes

Student faculty programmes are organized to give greater exposure to the students to improve their communication and presentation skills.
