and identify the author's perspective. The book is an inspirational outcome during the author's stay in the United States. He enlightens us about the dominance of electronic or online marketing in the developed countries and how developing countries like India use it only in certain spheres of business marketing. This is because they could not make a dashing headway due to structural impediments and divisions. This book will serve as a guide to those who wish to know or make a change in the technological aspects of marketing in India and other developing countries; and also know the drawback of previous methods used. Mrs. Kavitha Prabhu coordinated the programme.

Fest Forum

IT Training : A training programme was organized for I BCA students on 12th and 13th July, 2016 by Fest Forum Association at 4 pm in their respective class rooms. The objective of this training programme was to enlighten the students about the various IT Fest events, to improve the communication and technical skills, to recognize the aspiring talents, to give a broader vision of how to face IT Fests with confidence, to develop positive attitude and to train every first year student about information technology.

A brief introduction of the session was given by the fest forum secretary Mr. Shivaprasad Bhat of III BCA 'B'. The team members briefed about the various events such as Coding, Web Designing, IT Quiz, IT Bulletin, IT Debate, Allegation, Group Discussion, Treasure Hunt and Stress Interview.
